SUBMISSION INFORMATION FOR CONTRIBUTORS

The editors welcome contributions for publication, both articles of general interest and ones related to theme issues. Authors should submit articles as Microsoft Word, OpenOffice, or Rich Text Format (rtf) files to the online submissions system: <http://ojs.berghahnjournals.com/index.php/aia>.

Authors must [register](#) with the journal on the submission website prior to submitting, or, if already registered, they can simply log in. On registering as an Author, authors have the option of also registering as a Reviewer (to be called upon to undertake peer reviews of other submissions).

Articles should generally be **5,000 to 6,000 words**, but shorter pieces are also welcome.

Queries can be addressed to the editor, Christine McCourt, at Christine.McCourt.1@city.ac.uk. Scholars interested in **reviewing books** or writing **review articles** should contact the reviews editor, Jennie Morgan at jennie.morgan@york.ac.uk.

FORMATTING

The entire document (including notes and references) should be double-spaced with 1-inch (2.5 cm) margins on all sides and no extra spaces between paragraphs. A 12-point standard font such as Times New Roman is required for all text, including headings, notes and references. Any unusual characters or diacritics should be flagged by placing the entire word in **red type**.

COVER PAGE

The cover page should provide the title of the article, complete contact information for each author (mailing address, phone number and e-mail), biographical data of approximately 25 to 50 words for each author, a total word count, the number of tables and/or figures included and any acknowledgements. Affiliations and e-mail addresses will be posted online for indexing/abstracting purposes.

ABSTRACT/KEYWORDS

The article must include an abstract of no more than **150 words** and **6 to 8 keywords**. The abstract should not duplicate the text verbatim but rather include the research question or puzzle, identify the data and give some indication of the findings. Keywords should be drawn from the content and not duplicate the article title, listed in alphabetical order and separated by commas; only proper nouns should be capitalised.

COPYRIGHT/PERMISSIONS

Upon acceptance, authors are required to submit copyright agreements and all necessary permission letters for reprinting or modifying copyrighted materials, both textual and graphic. The author is fully responsible for obtaining all permissions and clearing any associated fees to reproduce copyrighted materials.

ARTWORK

For optimal reproduction, **figures** or **photos** should be submitted as high-resolution JPGs or TIFFs (300 ppi), or as EPS files with all fonts embedded. Additionally, all images should be at least 4 x 4 inches at the resolution indicated. **Tables** should be made and submitted in Microsoft Word or rtf. All figures and tables should be in separate files and numbered consecutively; only placement indicators and captions (with source/copyright information) should be included in the articles themselves.

PROCESS FOR REFEREEING AND ACCEPTING ARTICLES

Anthropology in Action is a refereed journal. Submissions are considered on the understanding that the article is not under consideration for publication elsewhere. Articles are sent to at least two scholars with relevant experience and expertise. Referees are asked to advise the editors whether the article should be published and, if so, with what recommended changes. The editors respond to the author with their decision, a list of any changes needed for publication and the anonymous referees' comments, or a summary thereof.

PUBLICATION

Manuscripts accepted for publication that do not conform to the style guide may be returned to the author for amendment. The editors also reserve the right to alter usage to conform to the style guide issued by the publishers. Authors may not supply new materials or request major alterations following the copyediting stage, so please ensure that all text is final upon acceptance. Contributors will receive one free copy of the relevant issue and may purchase additional copies at a reduced price or purchase offprints.

STYLE GUIDE

The *Anthropology in Action* style guide is based on the *New Oxford Style Manual* and *New Hart's Rules*. Please be aware that the journal uses **U.K. punctuation and spelling**, following *The Oxford English Dictionary*.
