

Migration and Society: Advances in Research

SUBMISSION INFORMATION FOR CONTRIBUTORS

Please submit articles, reviews, and other contributions as Microsoft Word or Rich Text Format (rtf) files through the online submissions system at <http://ojs.berghahnjournals.com/index.php/air-ms>. Authors must register with the journal on the submission website before submitting, or, if already registered, they can simply log in. On registering as an Author, authors have the option of also registering as a Reviewer (to be called upon to undertake peer reviews of other submissions).

Submissions are welcome for consideration in one of the five key journal sections:

- **Research Articles:** Each issue will include articles (maximum 8,000 words) addressing a key theme, in addition to a range of other articles related to migration and society;
- **People & Places** consists of shorter pieces (2,000 to 4,000 words), including notes from the field, “migrant voices,” and interviews with scholars, practitioners, and policy makers;
- **Reflections** invites critical reflections (maximum 5,000 words) on migration research and teaching;
- **Curated Interventions** includes photo essays and other creative representations of migration;
- **Book Reviews** (800 words for single book reviews, 1,300 to 1,400 words for two books, 1,500 to 1,600 words for three books) conclude each issue.

Any inquiries should be sent to the editors at migration@berghahnjournals.com.

FORMATTING

The document must be set at the US letter standard size. The entire document (including notes and references) should be double-spaced with 1-inch (2.5 cm) margins on all sides and no extra spaces between paragraphs. A 12-point standard font such as Times New Roman is required for all text, including headings, notes, and references. Any unusual characters or diacritics should be flagged by placing the entire word in **red type**.

COVER PAGE

The cover page should provide the title of the article, complete contact information for each author (mailing address, phone number, and email), biographical data of approximately 100 words for each author (including an ORCID if applicable), a total word count, the number of tables and/or figures included, and any acknowledgments. Affiliations and email addresses will be posted online for indexing/abstracting purposes.

ABSTRACT/KEYWORDS

The article must include an abstract of **125 words** and **5 to 8 keywords**. The abstract should not duplicate the text verbatim but rather include the research question or puzzle, identify the data, and give some indication of the findings. Keywords should be drawn from the content and not duplicate the article title, listed in alphabetical order, and separated by commas; only proper nouns should be capitalized.

COPYRIGHT/PERMISSIONS

Upon acceptance, authors are required to submit copyright agreements and all necessary permission letters for reprinting or modifying copyrighted materials, both textual and graphic. The author is fully responsible for obtaining all permissions and clearing any associated fees to reproduce copyrighted materials.

ARTWORK

For optimal reproduction, **figures** or **photos** should be submitted as high-resolution JPGs or TIFFs (300 ppi), or as EPS files with all fonts embedded. All images should be at least 4 x 4 inches at the resolution indicated. **Tables** should be made and submitted in Microsoft Word or rtf. All figures and tables should be in separate files and numbered consecutively; only placement indicators and captions (with source/copyright information) should be included in the articles themselves. For more details, please see our [Artwork](#) submission webpage.

PROCESS FOR REFEREEING AND ACCEPTING ARTICLES

Migration and Society is a refereed journal. Submissions are considered on the understanding that the article is not currently under consideration for publication elsewhere. Articles are sent to at least two scholars with relevant experience and expertise. Referees are asked to advise the editors as to whether an article should be published and, if so, with what recommended changes. The editors respond to the author with a decision, a list of any changes needed for the article to be accepted for publication, and the anonymous referees' comments.

PUBLICATION

Manuscripts accepted for publication that do not conform to the style guide may be rejected or returned to the author for amendment. The editors also reserve the right to alter usage to conform to the style guide issued by the publisher. Authors cannot supply new materials or request major alterations following the copyediting stage, so please ensure that all text is final upon acceptance. Contributors of research articles will receive one free copy of the relevant issue and may purchase additional copies at a reduced price or purchase offprints.

Have other questions about submitting your manuscript? Please refer to Berghahn's [Journal Author FAQs](#) for additional information.
