SUBMISSION INFORMATION FOR CONTRIBUTORS

The editor welcomes contributions. Authors should email articles as Microsoft Word or Rich Text Format (RTF) files to SA@berghahnjournals.com. Scholars interested in writing review essays or book reviews should contact the editor.

Articles should be **6,000 to 8,000 words** (including notes and references). Review essays must review at least three titles and should be 2,000 to 4,000 words. Book reviews should be 1,000 words.

COVER PAGE

The cover page should provide the title of the article, complete contact information for each author (mailing address, phone number, and email), biographical data of approximately 100 words for each author including an [ORCID](#), a total word count, the number of tables and/or figures included, and any acknowledgments. Affiliations and email addresses will be posted online for indexing/abstracting purposes.

FORMATTING

The document must be set at the US letter standard size. The entire document (including notes and references) should be double-spaced with 1-inch (2.5 cm) margins on all sides and no extra spaces between paragraphs. A 12-point standard font such as Times New Roman is required for all text, including headings, notes, and references. Any unusual characters or diacritics should be flagged by placing the entire word in **red type**.

ABSTRACT/KEYWORDS

The article must include an abstract of **125 words** and **5 to 8 keywords**. The abstract should not duplicate the text verbatim but rather include the research question or puzzle, identify the data, and give some indication of the findings. Keywords should be drawn from the content and not duplicate the article title, listed in alphabetical order, and separated by commas; only proper nouns should be capitalized.

LICENSE/PERMISSIONS

Upon acceptance, authors are required to submit license agreements and all necessary permission letters for reprinting or modifying copyrighted materials, both textual and graphic. The author is fully responsible for obtaining all permissions and clearing any associated fees to reproduce copyrighted materials.

ARTWORK

For optimal reproduction, **figures** or **photos** should be submitted as high-resolution JPGs or TIFFs (300 ppi), or as EPS files with all fonts embedded. All images should be at least 4 x 4 inches at the resolution indicated. **Tables** should be made and submitted in Microsoft Word or rtf. All figures and tables should be in separate files and numbered consecutively; only placement indicators and captions (with source/copyright information) should be included in the articles themselves. For more details, please see our [Artwork](#) submission webpage.

PROCESS FOR REFEREEING AND ACCEPTING ARTICLES

Social Analysis is a refereed journal. Submissions are considered on the understanding that the article is not currently under consideration for publication elsewhere. Articles are sent to at least two scholars with relevant experience and expertise. Referees are asked to advise the editors as to whether an article should be published and, if so, with what recommended changes. The editors respond to the author with a decision, a list of any changes needed for the article to be accepted for publication, and the anonymous referees' comments, or a summary thereof.

PUBLICATION

Articles should not be under consideration for publication or previously published elsewhere. Manuscripts accepted for publication that do not conform to the style guide may be rejected or returned to the author for amendment. The editors also reserve the right to alter usage to conform to the style guide issued by the publisher. Authors cannot supply new materials or request major alterations following the copyediting stage, so please ensure that all text is final upon acceptance. Contributors of review articles will receive one free copy of the relevant issue and may purchase additional copies at a reduced price or purchase offprints.

Have other questions about submitting your manuscript? Please refer to Berghahn's [Resource pages](#) for additional information.
